ANWSU Advance Program

FREE TUTORING SERVICES

January 3, 2012

Dear Families:

If your child is eligible for free or reduced price lunches, he or she may receive extra help after school in reading and math. This tutoring is at no cost to you. You can simply fill out the paperwork attached and enroll your child in this wonderful academic opportunity.

If you want the free tutoring for your child, choose the program that you think will work best for your child from the list of State approved providers attached to this letter. Addison Northwest Supervisory Union is an approved provider, and some local teachers are working in the program. This means the tutoring can be done here at our school.

Our program at VUHS, ANWSU Advance, runs throughout the school year on Mondays, Tuesdays, and Thursdays from 7:15 - 8:00 am **OR** 3:15 -4:00 pm. Your child would attend a 45-minute tutoring session each of these three days with a qualified professional in a program tailored to meet the needs of the child. You may also choose any of the other providers on the list.

Also, be aware that during our after school sessions, there is a late bus leaving VUHS at 5:00 PM and dropping students at specific locations in the five towns, or en route.

If you are interested, please be sure to fill out the attached interest form. You may always speak to your child's teacher for more information. If you have further questions, please feel free to contact Margo Grace (K-6) or Jill Strube (7-12).

Sincerely,

Peter Reynolds
Co-Principal
